

Student Contract

I agree to run or walk to the best of my ability, I will always keep moving! I understand that the parent volunteers and coaches are in charge and will respect their instructions. I agree to stay on the track and not cut any corners. I understand that the playgrounds and other areas of the field are strictly off limits during Stallion Stampede. I will keep all other athletic equipment or school supplies in or near my back pack (with the exception of water bottles!).

I will be honest and fair in collecting and reporting my "dots" or mileage to the desk at the end of Stampede.

I agree to be courteous, positive and encouraging to my fellow runners. I agree that some things should never happen including picking up & throwing sticks, rocks or gravel; squirting or throwing of water; general rough housing or wrestling. I understand that if the rules are broken on a regular basis I risk being asked to leave Stampede.

Above all else, I agree to HAVE FUN!
