

## **Parent Contract**

I agree that my child has permission to attend Stallion Stampede each week during the 2015-2016 school year at Steiner Ranch Elementary. I understand that my child has a commitment to Stallion Stampede. If there is a conflict, I will notify the school front office as soon as possible. I understand that my child will be supervised by parent volunteers who are not compensated by the PTA or the Leander Independent School District. I also understand in the case of rain or bad weather the PTA will work with SRE admin to determine if the kids should run outside. If the kids cannot go outside an indoor activity will be conducted and dismissal will be at the regular time.

## **Photo Release:**

I understand that throughout the year, photos and/or videos may be taken of the students during Stampede runs. These may be both individual and group photos. I give permission for these to be used in school communications (including social media), district newsletters, as well as on our Wall of Fame posted in the school near the MPR.

## **Injuries:**

I agree to hold harmless the volunteers, program coordinator, Steiner Ranch Elementary, and the Leander Independent School District for any injuries that may occur during participation in the Steiner Ranch Stallion Stampede program. I also understand that the school nurse is no longer on duty while Stampede is operating, first aid will be administered by parent volunteers and outside medical help will be called if needed.

## **Volunteers:**

Finally I understand that Stallion Stampede can only operate with the help of parent volunteers. If enough parents do not volunteer each week, the water station will be eliminated from a run or an entire run might be cancelled. Parents (or grandparents) must be approved LISD volunteers. I understand that once I sign up for a shift that Stampede is counting on me to arrive on time and support the program including the kids' safety on the field and during dismissal. I understand that if I no-show for my volunteer shift that may impact my child's ability to participate in the program. If I must cancel my shift, I will notify the program coordinators immediately and do my best to find a substitute.
